Dear Judge Forrest:

 KATHERINE B. FORREST
 United States District Judge

In light of Mr. Wolman's recent email and copies of redacted prior submissions to the Court, I have conferred with my client and ask Your Honor to stay the unsealing until Friday only because I believe that there are other references and even attachments of the purported text message in submissions I made to the Court, as well as possible discussions of it by opposing counsel. Redacting those references are clearly within the spirit of the stipulation, which would be rendered meaningless if the same information shows up in another document in the public record. I therefore ask for the opportunity to have my office search through every filing to ensure proper redactions which I would share with Mr. Wolman in the anticipation that we can agree that the redactions are appropriate. So long as the redactions are complete, my client will neither be appealing Your Honor's Order or asking Your Honor or the Court of Appeals for any further stay of the unsealing.

I called Mr. Wolman, but he was unavailable. Given the hour, I am not able to convey whether he consents to this application

Respectfully yours,

Judd Burstein

Subject: Re: 16-cv-7820 (Doe v. Doe) - opinion & order

Dear Judge Forrest,

In light of the pending unsealing of this action, the Court may recall a stipulation and order made at the November 3, 2016 hearing. See Transcript at 11:12-12:9. Pursuant to that stipulation and order, certain materials were to be docketed on the public record with partial redactions.

In furtherance thereof, please find enclosed the redacted copies of the Complaint, Plaintiff's Letter of October 11, 2016, and Exhibit 12 to Plaintiff's November 4, 2016 Statement of Additional Evidence to be filed on the public record, with the unredacted versions remaining under seal. Per my telephonic inquiry to Chambers, these documents are only being transmitted by e-mail as the Court already possesses the original unredacted versions.

Sincerely,
Jay Wolman
